

# REQUEST FOR APPROVAL

**(1) Ministry of Education**  
**General Direction of University Education System**

Highest governmental entity responsible for defining the policies of the Peruvian university system and overseeing their compliance.

**(2) Peruvian Engineers Association**

Autonomous non-governmental institution created by Congress Law. It is the only entity responsible for undertaking the assessment, registering and licensing of professional engineers for practicing the engineering in the country, as well as for representing, defending and norming the development and the practice of engineering.
