Reference: Request for Evaluation – National University of Engineering, Lima, Peru

It is pleasure to write to you for extending greetings and inform that fourteen engineering programs of National University of Engineering (Universidad Nacional de Ingeniería - UNI) are requesting evaluation from ABET in the cycle 2016-2017.

The programs requesting evaluation and the corresponding program criteria are:

Program	Program Criteria
• Mechanical Engineering	• Mechanical Engineering
• Mechanical-Electrical Engineering	• Mechanical Engineering
• Mechatronics Engineering	• Mechanical Engineering
• Naval Engineering	• Marine Engineering
• Geological Engineering	• Geological Engineering
• Mining Engineering	• Mining Engineering
• Metallurgical Engineering	• Metallurgical Engineering
• Chemical Engineering	• Chemical Engineering
• Textile Engineering	• Engineering
• Petroleum and Natural Gas Engineering	• Petroleum Engineering
• Petrochemical Engineering	• Chemical Engineering
• Economics Engineering	• Engineering
• Statistical Engineering	• Engineering
• Engineering Physics	• Engineering Physics

The above mentioned engineering programs have more than six years working on assessment and evaluation processes to attain their Educational Objectives and Student Outcomes in a continuous improvement scheme, and have completed the self-study report according to ABET criteria.

Rectorado

Enclosed there are the documents supporting the Request for Evaluation as well as the completed Request for Approval formats.

I will appreciate your confirmation of the reception of the Request for Evaluation to the following email addresses:

Doris Rojas, MBA, P.E.

Director – Central Office of University Quality, UNI

E-mail: drojas@uni.edu.pe

Antonio Moran, Ph.D., P.E.

Quality and Accreditation UNI

E-mail: amoran@ieee.org

I renew the assurances of my highest consideration and respect.

Sincerely,

Jorge Alva, Ph.D., P.E.
President
