

# UNIVERSIDAD NACIONAL DE INGENIERÍA

## Rectorado

Lima, January 22th, 2019

Dr. Maryanne Weiss  
Accreditation Director  
ABET, Inc.  
Baltimore  
USA

**Reference:** Request for Evaluation –National University of Engineering, Lima, Peru

It is a pleasure to write to you for extending greetings and inform that 26 Programs of National University of Engineering (Universidad Nacional de Ingeniería UNI) are requesting ABET evaluation in cycle 2019-2020: twenty engineering programs are requesting re-accreditation, and six programs request initial evaluation in different ABET Accreditation Commissions, as follows:

- 21 Programs – EAC (20 re-accreditation, 1 new)
- 1 Program – EAC + ANSAC (new)
- 3 Programs – ANSAC (new)
- 1 Program – CAC (new)

The six programs requesting initial evaluation have more than five years working on assessment and evaluation processes for attaining Educational Objectives and Student Outcomes in a continuous improvement scheme, and have completed the self-study report according to the corresponding ABET criteria. Enclosed there are the documents supporting the Request for Evaluation and the Request for Approval.

National University of Engineering is the oldest engineering university in Peru, created in year 1876, with 28 undergraduate programs and 47 graduate programs. It is licensed by the National Superintendence of University Education SUNEDU, maximum Peruvian university education authority. For more information regarding the evaluation process, please contact Mrs. Doris Rojas MBA, PE, ([drojas@uni.edu.pe](mailto:drojas@uni.edu.pe)), and Dr. Antonio Moran ([amoran@ieee.org](mailto:amoran@ieee.org)).

I renew the assurances of my highest consideration and respect.

Sincerely,

JORGE ALVA HURTADO, PhD, PE  
President
